to view artwork available for purchase.

HOW TO:

❶ Browse the website and select works you would like to order.

❷ Write the quantity of each work in the left-hand quantity [QTY] column.

(note: the quantity ordered includes the full set listed in the [MEDIUM] column.

e.g. Ordering 1[QTY] of item #01 includes 3 posters. Ordering 2[QTY] of item #01 includes 6 posters.)

❸ For each item ordered, multiply the number of [QTY] selected by the price of the item, and write the total in the [TOTAL COST] column. (e.g. ordering 2 [QTY] of item #01, which has a cost of \$10 would mean putting \$20 in the [TOTAL COST] column of item #01.)

❹ Add up all amounts in the [TOTAL COST] column, and write the total in the [FINAL SUM] box at the bottom of this form.

❺ Fill out your information below, and enclose this form with payment equal to the [FINAL SUM] listed and drop it off to Francis Ho at 115 McCaul 3rd floor Mondays from 12pm-3pm.

You will be contacted when your work is ready to be picked up!
